INTRODUCTION

Heathcote House Nursery & Pre School has been established for over 30 years, moving in 2019 to our current location, situated near to Southbroom Infants School, between Devizes Leisure Centre and the Fire Station. We have a superb outdoor play area offering the children both soft and hard surfaces and our own wooded area for outdoor learning opportunities. We can also offer parents a large, safe parking area for drop off and pick up. At Heathcote House Baby Care we can provide for up to 18 children aged from 3 months. Operating as a separate unit within Heathcote House Nursery and Pre-School, most children will move into the Nursery when age 2 years. We open from 7.45am to 6.00pm all year, closing only for Bank Holidays and the week after Christmas.

Our modern school building is purpose designed and we offer a friendly family atmosphere to both the children in our care and their parents. We try to meet all your children's needs by providing a safe, happy, stimulating environment (which is regularly inspected by OFSTED) constantly monitoring their progress and sharing our observations with you daily, at our regular parents' evenings and at any other time you or we feel is appropriate.

Our team of staff has only one job (unlike busy parents) which is to ensure the children remain safe, enjoy themselves, and gain valuable experiences from their stay with us to take into later life.

The benefits your child will receive:

1. Our main goal is to provide the best care possible for your child. This includes support, advice, and close liaison with you at any time.
2. We have a small, close-knit, and very friendly team, all of whom are carefully vetted, and police checked.
3. We have a high proportion of qualified and experienced staff. All our Baby Care staff are Paediatric 1st Aid trained and have a Food Hygiene Certificate.
4. We offer the children individual attention, with ratios from one staff member to three children to a maximum of one member of staff to six children.
5. Children are in small groups to help individual development needs.
6. Topics and activities are carefully chosen to enable your child to progress and ensure a smooth transition to school.
7. We have a key-worker system for monitoring and reporting your child's progress.
8. We have a dedicated baby play area within our spacious grounds
9. We provide a freshly cooked, balanced, nutritional diet and cater for all allergies and compelling cultural needs. (Formula milk is **not** provided).

Preliminary Visits for New Children

We encourage parents to bring their child for one or two short sessions before they are due to start at Nursery. These preliminary visits will be arranged for you by the Principal/Deputy, either on registration or nearer to your child's start date.

MISSION STATEMENT

It is our aim at Heathcote House Nursery and Pre-School (and Baby Care) to offer the highest standard of care for all children in the setting.

We try to ensure that the children are happy, confident, and well-mannered, whilst being progressively encouraged to develop their learning skills through structured play, in a caring family atmosphere. Caring for the children “in loco parentis” and offering them our loving attention is a vitally important aspect of our overall philosophy and great attention is devoted to this.

To attain this, aim our principal objectives are to provide the highest quality in staff, environment, equipment, and standards to ensure that Heathcote House Nursery and Pre-School provides the best “Educare” available for your child, and thus maximises your child’s wellbeing.

TO ACHIEVE OUR AIMS

We are committed to working, together with parents, to provide a stimulating and enabling, fun-filled environment where each child has the opportunity to become a happy, confident, independent learner within the safety of our nursery setting. We seek to promote within each child a well-balanced positive attitude towards life and learning, the desire to communicate and respect for individual differences.

POLICIES AND CURRICULUM STATEMENTS

Our Behaviour Policy is included as part of our prospectus information. Copies of all other policies are always available for inspection at the Nursery on request.

Complaints

We will listen and try to address any complaint you may have. Should you not be satisfied, having escalated the matter to a written complaint and response from the Nursery management, please contact the Ofsted Helpline on 0300 123 1231. Website: www.ofsted.gov.uk/parents.

THE SEVEN AREAS OF LEARNING

Early Years Foundation Stage

The **Early Years Foundation Stage** is the government guidance that our Nursery follows. The guidance ensures that all children have the best possible start to learning. There are seven areas of learning and development that must shape educational programmes in early years settings. These are split into two categories, Prime and Specific. The Prime areas listed below focus on children aged 0-3 and are particularly crucial for igniting children's curiosity and enthusiasm for learning and for building their capacity to learn, form relationships and thrive.

Prime Areas

Communication and Language – involves giving children opportunities to experience a rich language environment, to develop their confidence and skill in expressing themselves and to speak and listen in a range of situations.

Physical Development – involves providing opportunities for young children to be active and interactive and to develop their co-ordination, control, and movement. Children must also be helped to understand the importance of physical activity, and to make healthy choices in relation to food.

Personal, Social and Emotional Development – involves helping children to develop a positive sense of themselves, and others, to form positive relationships and develop respect for others, to develop social skills and learn how to manage their feelings, to understand appropriate behaviour in groups and to have confidence in their own abilities.

Specific Areas

Children aged 3 and over are supported in four Specific areas, through which the three Prime areas are applied and strengthened. The Specific areas are:

- Literacy
- Mathematics
- Understanding the world; and
- Expressive arts and design

Literacy – involves encouraging children to link sounds and letters and to begin to read and write. Children must be given access to a wide range of reading materials (books, poems, and other written materials) to ignite their interest.

Mathematics – involves providing children with opportunities to develop and improve their skills in counting, understanding, and using numbers, calculating simple addition and subtraction problems and to describe shapes, spaces, and measures.

Understanding the World – involves guiding children to make sense of their physical world and their community through opportunities to explore, observe and find out about people, places, technology, and the environment.

Expressive arts and design – involve enabling children to explore and play with a wide range of media and materials, as well as providing opportunities and encouragement for sharing their thoughts, ideas, and feelings through a variety of activities in art, music, movement, dance, role-play and design and technology.

BEHAVIOUR POLICY

At Heathcote House Nursery and Pre-School, we believe that both children and adults develop best in a well-ordered environment in which everyone knows what is expected of them.

It is desirable for children to play and learn freely without fear of being threatened by anyone else.

Our aim is to encourage children to become self-disciplined and confident in a caring environment.

In order to achieve this:

- All adults will ensure that rules concerning behaviour are applied consistently so that children know what is expected and feel secure.
- All adults will try to provide a positive model for the children with regard to friendliness, care and courtesy
- Adults in the Nursery will praise and endorse desirable behaviour such as kindness and willingness to share.

When children behave in unacceptable ways:

- Physical punishment such as smacking will not be used or threatened
- Children who misbehave will be given one-to-one adult support in seeing what was wrong and working towards a better pattern
- In cases of serious misbehaviour such as racial or other abuse, the unacceptability of the behaviour and attitudes will be explained immediately to the child concerned.
- In any case of misbehaviour, it will always be made clear to the child or children concerned that it is the behaviour that is undesirable in the Nursery and not the child.
- Adults will avoid shouting or raising their voices in a threatening way.
- Any behaviour problems will be handled appropriately according to the child's level of maturity and understanding.
- Recurring problems will be dealt with in partnership with the child's parents.
- Adults will be aware that some kinds of behaviour may arise from a child's special needs.

HEATHCOTE HOUSE NURSERY and PRE-SCHOOL

FEES

Age 2 - 5 Years

Scale of Charges from 4th April 2022

(To be read in conjunction with our published Terms and Conditions)

Calculation and Payment of Fees

A. Full Day Care

Funding via Government grant is applied 3 times a year. The periods are of unequal length and each one currently matches 2 school terms plus associated holidays. Because all children from age 2 years could be affected, we use this pattern and draw up 3 "Termly Bills/Contracts" each funding year (Summer, Autumn, Spring). Accordingly, a term's notice is required for change in times or sessions.

Payment Value

Per Bill/Contract. Charges x number of Weeks Attended in Term ÷ Number of Calendar Months in Term
= Payment Value

This is not the exact fee due each calendar month, but is the figure calculated to be **equal** for each payment in the term.

Each Bill/Contract **must be signed** by the Parent/ Guardian – to agree the attendance pattern and Payment Value.

Actual Fees due are in accordance with our charges as billed for the actual attendance booked. These are reconciled to payments made from time to time and any adjustment required/payment due is notified accordingly.

Fees take into account Bank Holidays – which are not chargeable as:

Full Week Fees are pre-adjusted.

Part Week Fees are charged in accordance with sessions booked. Any session which falls on a Bank Holiday may be exchanged by request for another day within 10 days of the Bank Holiday – subject to availability.

However, no reduction to the weekly charge may be made.

Due date for payment is the 20th of each calendar month payable in advance (i.e. 20th January pays February fees).

Preferred method of payment is Standing Order (forms are provided).

Amount payable on the due date is the calculated Payment Value.

Adjustments relating to Early Years Funding (or any other grant) will be shown on the "Termly Bill/ Contract" as appropriate.

HEATHCOTE HOUSE NURSERY and PRE-SCHOOL FEES

Age 2 - 5 Years

Scale of Charges from 4th April 2022

(B) Term Time Only

Each "Termly Bill/Contract" covers 2 school terms, and both attendance and any fees or grant due match the school term dates.

Bank Holidays are neither attended nor chargeable and are adjusted on the Contract as applicable.

Payment Value = Charges x Number of Weeks attended in Term ÷ 3.

(C) Fully Funded

- (i) For 2-Year-Old/Universal Funded 3-Year-Old = 38 weeks @ 15 hours per week, per Government F.E.E. scheme.

CHILDCARE VOUCHER / TAX FREE CREDIT INFORMATION

Heathcote House accepts Childcare Voucher payments covering all or part of the cost of childcare. There are various companies who provide the service via your employer's personnel / payroll department in accordance with HMRC rules.

The voucher payments are issued in place of part of your salary which is "sacrificed".

This is now being phased out and replaced over time by Tax Free Childcare Credit (see www.gov.uk).

Under the new scheme HMRC will add the appropriate credit to your funds held in a special bank account for the payment of day care provision.

There are currently nearly 20 childcare voucher payment providers – of whom the best known are:

Allsave, Care 4, Computershare, Edenred, Kiddivouchers, Fideliti, Sodexo

We do accept voucher payments from other providers, but please check that we hold an account with them first.

Please note: It remains the parent's responsibility to ensure that we receive the voucher payment / Tax Free Childcare payment by the due date in accordance with our Terms & Conditions

 - b) A full-term notice is required in writing for any reduction in times or sessions.
14. Inclusive Provision
 - (a) Our Full Day Care fees include provision of all hot food, snacks, and refreshments (including government funded milk) during the day. We work with parents to ensure children with allergies and compelling (e.g. religious) preferences can be accommodated. Parents are requested not to allow their children to bring snacks or sweets into Heathcote House, to avoid adversely affecting anyone else.
 - (b) Our fees include provision of nappies, wipes, and associated creams. Should parents require a brand of nappy different to our usual supply they may supply their own. There is no reduction of fees if items are supplied by parents.
 - (c) The same provision is made for Term Time Only children – as appropriate for the time of day attended.
15. Your child will only be released into the care of two persons named on the Applicant Record, the only exception being the Local Emergency Contact if necessary (and suitable password/security procedure will be followed).
16. Before acceptance of your child into Heathcote House a member of staff must see a copy of the child's Birth Certificate and the Red Book of Immunisations. Full and up to date Vaccination is required unless there is a medical reason to the contrary confirmed by your family doctor.
17. In the interest of the welfare of all the children, entry may be refused to your child for any period during which he/she is diagnosed as infectious. (See Health & Safety Policy).
18. Medication will only be administered in accordance with full written instructions from the Doctor/Parent/Guardian (See Medication Procedure Policy).
19. Your child must bring a complete change of indoor clothes, clearly marked, to be retained at Heathcote House, in a bag provided for emergency use, and wear adequate outdoor clothes for outdoor play in the prevailing weather conditions.
20. We ask that the children do not bring their own toys (except for special "Show and Tell" times) as broken or lost toys cause disappointment.
21. Heathcote House will organise activities outside the Nursery premises from time to time. These will be conducted with at least the child:staff ratio recommended by the Children's Act 2014. Parental consent is required before the child can participate.
22. Heathcote House Nursery is unable to accept any liability for any loss or damage to personal property brought onto its premises.
